About Me

Enthusiastic designer and developer eager to contribute to team success through hard work, attention to detail and excellent organizational skills. Motivated to learn, grow and add variety in any work environment i get involved with. Worked on Range of projects including machine learning (AI), Front end development and full stack system development.

Experience

Jun 2022 - Oct 2022
Zowi Tech | Addis Ababa, Ethiopia
Intern UI/UX Designer And Full Stack Developer
I worked as a UI/UX designer and full stack developer at ZowiTech. I had the chance to learn a few frame works and acquire team work and leadership skills. i was part of a project which involves communicating with customers directly and present progress and new findings for colleagues and employers, which helped me in my communication skills and presentation skills
